SR-163 Sewer Pipeline Rehabilitation CONSTRUCTION ADVISORY

Partial and Full Closure of State Route 163 through May 28th

Updated Details for the week of March 21, 2011

What: SR 163 South Bound Lane Also Closed During This Week
Tuesday, March 22nd through Friday, March 25th
Both north and south bound # 1 lanes (fast lanes/lanes closest to median) will be closed
8:00 p.m. – 5:00 a.m.

Weekend Full Freeway Closure (No changes)
Friday, March 25th through Sunday, March 27th
Full closure, north and south bound
11:00 p.m. – 9:00 a.m.

No closure on Sunday night.

Where: From Interstate 8 to A Street. For a detour map and alternate routes, visit the [project's Web page](#).

Why: The 45-year-old Cabrillo Trunk Sewer that runs through Balboa Park along State Route 163 is in need of rehabilitation after damage caused by age, tree roots and breaks. This project will restore the structural integrity of the pipe, inhibit root infiltration, reduce maintenance costs, and extend the life of the sewer main for another 50 years.
